

# The Super Grizzly Mobile Recycle Cart

The Super Grizzly has a galvanized steel base and forklift pockets that allow two carts to be emptied at one time.

The Super Grizzly Mobile Recycle Cart is a super strong mobile recycling container with double walls for added strength. The galvanized steel base won't warp or absorb moisture and it supports heavier loads than containers with plywood bases. Super Grizzlies are stackable and won't rust, warp or delaminate. Choose either a six or four caster configuration.

## Ultimate Strength and Versatility

- Oversize extra strength forklift pockets allow lifting and dumping two containers at a time

## Galvanized Steel Base

- Light weight, won't rust, split, warp, or delaminate
- Casters are bolted into steel, won't break off

## Options

- 6 caster configuration (shown)
- 4 caster configuration available
- Custom colors
- Caster upgrades
- Custom decals and graphics
