

Green Choice:
Made with a minimum of 35% recycled content

The Curbside Recycling Bins are light weight and extremely strong. The reduced weight makes it easier on homeowners and collection employees, while helping to conserve our valuable natural resources. In addition, these bin cross stack and nest with any existing containers, present or future. Optional accessories include a lid, bungee application, wheel package and wall brackets.

Features:

- Universally Cross Stackable & Nestable
- Bottom impact feet
- Drainage system

Optional wheel kit

Wall mount allows for easy storage

Custom stamping available
