

The Deskside Recycling Bin is perfect for recycling at office workstations. Its low profile allows it to fit underneath most desks and its dimensions are perfect for stacking paper. It can also be used for the collection of cans, bottles, organics and waste. Its lightweight yet durable construction makes it easy to handle and strong enough to withstand day to day wear and tear.

Efficient

- Perfect for deskside recycling collection
- Fits under most desk drawers
- Creates a perfect stack of 8.5 x 11 paper so that it needs to be emptied less often.

Hanging basket is a great way to avoid cross-contamination

Basket divider accessory
