

The Shredinator is designed to fit in tight spaces, such as beside a desk or under a counter. It holds 60 lbs. of paper and there is no bag required for easy collection. The completely removable lid is lockable and secure and multiple units can use the same key for easy collection purposes.

Security

- Tamper proof lid for confidential disposal of documents
- Lockable container fits under desk or tight spaces

Flexible

- Stops lazy tosses of confidential information
- Design creates a 60 lb. high density stack of paper
- Holds same volume of paper and more cost effective than traditional consoles
- Container is 100% recyclable
- Optional nylon bag
- Custom colors available, minimum order of 500 pcs.

Optional swivel hooks stop tears and breaks of bags

Optional internal nylon bags fit snugly against container

Design creates a 60lb high density stack of paper
